

CYRE 2006-'07 Volunteer Options

The R.E. program is funded by your generous pledges to the Fellowship. It is also a cooperative venture, and your help is needed and greatly appreciated! All families should plan on helping out in some way. We have many areas for which you can volunteer to help throughout the year. Please indicate below, by initialing the areas in which you can help so we can call you for areas you are interested in helping with. Together we can create a wonderful and worthwhile program for our children.
