Everyone's financial situation is different, but we hope you will support AUUF's mission generously. UUA encourages members to pledge at least 2% of their adjusted income. Our website Giving page includes guidelines for Fair Share Giving, which starts at 2% and increases as your commitment and resources increase. If you are able, we're asking you to consider a 1-2% increase of your adjusted income percentage for next year. Feel free to contact us with any questions you may have. We do appreciate any size of gift.
